

# North of England Educational Teaching Day 2025

Join us for the first North of England  
Immune-Mediated Kidney Disease  
Educational Day!

**The Hyatt Regency Manchester**

**Tuesday 30th September 2025**

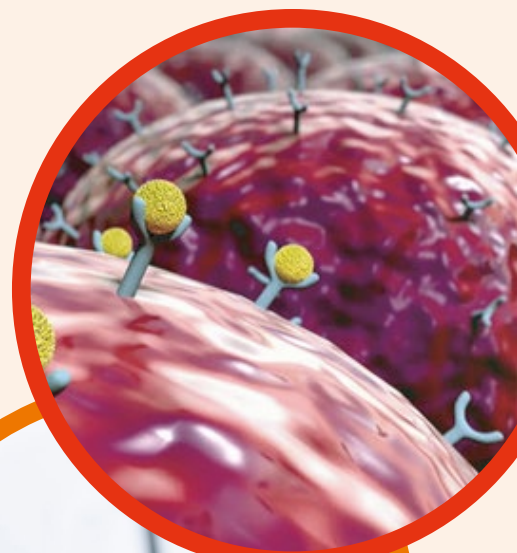

## WHY ATTEND?

Expert glomerulonephritis consultants from across the North West, North East, and Yorkshire deanery will come together to share their knowledge and experience. This interactive day promises engaging discussions, real life scenarios, and the latest insights in immune-mediated kidney disease.

The agenda can be found here. Please note that the agenda and program will be coordinated by the GN Northwest of England Teaching Day steering committee.

*This event has been sponsored by Otsuka by means of a financial contribution only, who have had no input into the agenda of this meeting apart from one Otsuka-led non-promotional session*

**Numbers are limited**

**FREE TO ATTEND**
